Medical examination of physically handicapped persons.— Cases of physically handicapped persons seeking employment in the public service that may be referred to the appointing and medical authority shall be viewed with the utmost sympathy.

On nomination of the physically handicapped persons by the Employment Exchanges for appointment against posts under the Government, they should not be subjected to the usual medical examination on first appointment in Government service, but the question of their appointment should be decided on the basis of the reports of the Medical Board attached to the Special Employment Exchanges for the Physically Handicapped. These persons need not be examined by the Medical Board at the time of their registration with the Employment Exchange, but they should be sent for medical examination to the Medical Board attached to the Special Employment Exchanges after they have actually been selected for a particular post.

Conditions for appointment in anticipation of medical certificate.— 1. The President has been pleased to delegate powers to the Administrative Ministries and the Comptroller and Auditor-General of India to authorize, in relaxation of FR 10, the drawal of pay and allowances for a period not exceeding two months in respect of fresh recruits to Government service without a medical certificate of health, subject to the condition that if the person concerned is subsequently found medically unfit, his services should be terminated after the expiry of the period of one month from the date of communication to him of the findings of the Medical Officer/Board, if no appeal for a second medical examination is made by him during this period or after the case for second medical examination is finally decided, if such an appeal is made and accepted. The condition should be clearly stated in the initial letter of appointment.

2. The Administrative Ministries and the C & AG of India shall, however, exercise this power sparingly and in exceptional circumstances only, e.g., when it is considered necessary in the public interest that a selected person should be appointed immediately in anticipation of his medical examination.

3. Where the competent authority authorizes the drawal of pay and allowances of a newly appointed Government servant for a period not exceeding

two months without medical certificate of health, a certificate to this effect shall be furnished in the first pay bill.

[G.I., M.F., O.M. No. 67 (21)-E. V/60, dated the 16th December, 1960; F. 25 (24)-E. V/66, dated the 24th August, 1966.]

X-ray test to be conducted separately and for selected candidates only.— The undersigned has been directed to say that the National Human Rights Commission (NHRC) had, with a view to minimize exposure to X-ray radiation, made a recommendation that X-ray examination of chest should be performed only on those candidates who are recommended for appointment. The practice followed as of now in case of the candidates who appear at the Civil Services Examination, etc., is that, all candidates who are called for interview/personality test are medically examined (including X-ray of chest) on the next working day after they are interviewed for personality test by the Union Public Service Commission (UPSC). The aforesaid recommendation of the NHRC has been examined and accepted by the Government in respect of the Civil Services Examination and their competitive examinations conducted by the UPSC.

2. The modalities decided to implement the recommendation of the NHRC, as far as its applicability to the Civil Services Examination is concerned, are as follows:—

- (a) The medical examination of the candidate would be conducted in two parts, i.e., Part-I and Part-II.
- (b) Part-I would consist of the entire medical examination/test which the Medical Board may prescribe for a candidate except the chest X-ray test. Part-I would be conducted for all the candidates who would be called for interview/personality test by the UPSC and would continue to be held on the working day next to the date of interview as at present.
- (c) The medical report of Part-I would, as per the existing practice, be made available to the Department of Personnel and Training, which is the nodal agency for the Civil Services Examination, with the findings of the Medical Board in respect of the medical examination comprising Part-I. Such findings would, however, be subject to the chest X-ray report of the candidate.
- (d) After declaration of the final results, the candidates who are recommended for appointment by the UPSC would be required to undergo Part-II of the medical examination which would consist of X-ray test of the chest.
- (e) The Part-I and Part-II of the medical examination would be independent of each other. In other words, the findings of each part of the medical examination would be sent for processing to the Department of Personnel and Training as soon as the concerned part of the examination has been completed.
- (f) The existing Medical Boards at Delhi would continue to conduct the Part-I and Part-II of the medical examination. As far as

practicable, Part-II would be conducted in the same hospital in which Part-I was conducted.

3. As the medical examination of the candidates would be conducted in two parts, the pro forma in which the findings of the Medical Boards would be furnished has been split into two. Accordingly, Pro forma-I of the report would comprise the findings of the Part-I of the medical examination and Pro forma-II of the report would comprise the findings of Part-II of the medical examination. A copy of the Notification No. 13019/2/98-AIS (I), dated 22-9-1999 effecting changes in the Civil Services Examination Rules along with the aforesaid pro forma-I and II are enclosed.

4. In respect of other competitive examinations conducted by the UPSC (as indicated in Paragraph 1 above), the same procedure and pro forma as indicated in Paragraphs 2 and 3 above may be adopted with suitable modifications by the concerned nodal Ministries/Departments.

5. Ministries/Departments are requested to make suitable modifications in the existing examination rules accordingly. A copy of the amendments made in the relevant rules may be made available to the Department of Personnel and Training (Establishment 'D' Section) as well as to the NHRC.

6. The action suggested in Paragraph 5 above may be completed on priority basis.

NOTIFICATION

No. 13018/2/98 AIS (I): In the Rules for Civil Services Examination, 1999 published in Part-I, Section 1 of the Gazette of India (Extraordinary), dated 12-12-1998, the following amendments may be carried out:

(i) Rule 20 may be substituted as below:

"20. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the discharge of his duties as an officer of the service. A candidate who after such medical examination as Government or the appointing authority, as the case may be, may prescribe, is

found not to satisfy these requirements will not be appointed. Any candidate called for the Personality Test by the Commission may be required to undergo Part-I of the medical examination and the candidate who are declared successful on the basis of this examination, may be required to undergo Part-II of the medical examination. The details of Parts-I and II are given in the Appendix-III to these Rules. No fee shall be payable to the Medical Board by the candidate for the medical examination except in the case of appeal.

NOTE.— (i) In order to prevent disappointment, candidates are advised to have themselves examined by a Government Medical Officer of the standing of a Civil Surgeon, before applying for admission to the examination. Particulars of the nature of the medical test to which candidates will be subjected before appointment and of the standard required are given in Appendix-III to these Rules. For the disabled Ex-Defence Services Personnel, the standards will be relaxed consistent with the requirements of the Service(s)."

(ii) The existing Regulation "2" of the medical regulations given in Appendix-III, shall be re-numbered as 2 (a) and 2 (b) shall be added as below:—

"2 (b) The Medical examination shall be conducted in two parts, i.e., Part-I which shall consist of the entire medical examination which the Medical Board may prescribe for a candidate, except the Radiographic examination of the chest (X-ray test) and Part-II which shall consist of Radiographic examination (X-ray test of the chest). The Part-II shall be conducted only in respect of the candidates who have been declared successful on the basis of the examination."

(iii) In sub-regulation (a) of Regulation 2 below Part "B, NON-TECHNICAL" of the Regulations, following shall be added:—

"However, the X-ray of the chest will be done in respect of only such candidates who are directed to appear before the Medical Board for Part-II of the medical examination."

(iv) Regulation 11 shall be substituted as below:—

"Radiographic examination of the chest for detecting any abnormality of the heart and lungs, which may not be apparent by ordinary physical examination will be restricted to only such candidates who are declared successful at the concerned Civil Services Examination.

The decision of the Chairman of the Central Standing Medical Board (conducting the medical examination of the concerned candidate) about the fitness of the candidate shall be final.

In case of doubt regarding health of a candidate, the Chairman of the Medical Board may consult a suitable Hospital Specialist to decide the issue of fitness or unfitness of the candidate for Government service, e.g., if a candidate is suspected to be suffering from any mental defect or aberration,

the Chairman of the Board may consult a Hospital Psychiatrist, Psychologist, etc.

When any defect is found, it must be noted in the certificate and the Medical Examiner should state his opinion whether or not it is likely to interfere with the efficient performance of the duties which will be required of the candidate."

(v) Candidate's statement and declaration *vide* sub-regulation (a) and report of the Medical Board on Physical Examination *vide* sub-regulation (b) under the heading "Medical Board's Report" may be substituted as below:—
